urbilis

MODERN, CLEVER, SATISFYING...

design for commercial **green** spaces

Urbilis was founded in 2012 focused on bringing greenery to urban spaces. Over the last half-decade, the site has grown exponentially featuring a vast catalog of products for ALL green spaces. Throughout that time we maintained a keen eye for modern, functional design and continually provided exemplary customer service. Urbilis is now the go-to for in-the-know designers, landscape architects and procurement firms looking for planters and furnishings alike.
